

Workload Migrations, Powered by MigrationWiz[®]

Migrate nearly anything. Strategically and seamlessly.

BitTitan provides on-demand data migration from nearly any Source to Destination with MigrationWiz—a fully-automated migration solution that can be accessed at any time, from anywhere.

Sign up, configure, and initiate mailbox, documents, personal archives, and Public Folder migrations in a matter of minutes—no special training, personnel, or additional hardware or software installation needed!

MigrationWiz helps us create a very large chunk of repeatable processes that save time for us and our customers, and allows us to be more accurate in the migration itself.
